

## **Rens Kitchen Drinks Packages 2025**

**We are fully licenced, and can provide any kind of drinks service for you and your important guests throughout the day. Here are some of the ways we can help!**

### **Daytime Drinks Service...**

**About this Package:** in most venues, it is most cost effective, and easiest to let us handle all the drinks service from the start of the day, throughout the wedding meal. We are on site anyway, looking after you and your guests, so it makes sense for our team to do this.

We can supply any drinks you like, all at cost price sale or return, so we don't charge you for drinks you don't need. We are happy to serve any drinks sourced by you with no corkage! (if you are getting your own drinks, we can advise on exactly how much to order too!)

We can take care of all glassware, licencing, serving staff, ice, and serving equipment. We also provide complimentary tea and coffee after the meal, free squash for the kids, and we will recycle all the bottles too!

### **What You Get...**

- All glassware hire and drinks service staff throughout the day and until the end of the meal
- Drinks chilling
- Complimentary Iced water carafes and squash for the kids
- Complimentary tea and filter coffee after the wedding meal
- cost price sale or return drinks/ or you supply the drinks with no corkage fee!

### **What Will it Cost?**

**£6.50 per guest plus vat**  
(plus any drinks provided by us)

## **Cash Bar Evening Package...**

**About This Package:** Our team of trained bar staff will set up and run a fully stocked mobile bar, serving drinks to the guests on a cash basis for all or part of the day. We can pre order any welcome drinks and table wine for you at cost price, sale or return, and our staff will be happy to serve these for you.

After the meal, we can set up and run a cash bar for you and your guests. We have been catering weddings for over fifteen years, and in our experience, guests are delighted to be able to contribute for their own drinks, especially if the bar prices are nice and cheap!!
