

ABOUT RENS KITCHEN...

HERE AT RENS, WE TAKE HUGE PRIDE IN ALL OUR FOOD.

From our daily chef's specials and our delicious cakes, right down to our signature focaccia bread, everything is made right here every day by our brilliant team of chefs and bakers!

Once you find us, we know you'll be a regular. We look forward to seeing you for lunch soon! If you can't get out to us, and would like us to deliver, please just let us know and we'll do our best to add you to our delivery rounds!

RENS VEGAN!

I have been vegan since 2020 (but don't worry - we still do the best meat around thanks to our amazing local butcher, Ashley!)

Inspired by my recent food journey, we have tried to include as many fresh and exciting meat free options as possible. Even if you are a devoted meat lover, give one a go and let me know what you think!

WEDDINGS AND EVENTS...

This is what we really specialise in! From bespoke weddings, to office meetings, right down to intimate dinner parties and family barbecues!

Please ask any of our events team if we can give you any help or information, or check out our website to browse our menus.
