Cash Bar Package...

About This Package: Our team of trained bar staff will set up and run a fully stocked mobile bar, serving drinks to the guests on a cash basis for all or part of the day. We will take care of all the drinks, glassware, licencing and recycling, as well as provide everything else you need to keep you and your guests looked after! We can pre order any welcome drinks and table wine for you at cost price, sale or return, and our staff will be happy to serve these for you.

Why Choose This: Of course we'd all like to offer a free bar for our guests for the whole day, but it can get complicated and expensive!!! Why not make sure your guests can enjoy a free welcome drink or two, some delicious wine with their meal, and even a glass of fizz for your important speeches to raise a toast with you? After the meal, we can set up and run a cash bar for you and your guests. We have been catering weddings for nearly ten years now, and in our experience, guests are delighted to be able to contribute for their own drinks, especially if the bar prices are nice and cheap!!
